The generosity of alumnae, collegiate and alumnae chapters, individual members, and friends, has enabled the Phi Sigma Sigma Foundation to maintain a strong educational grant and scholarship program. Educational grants and scholarships are awarded to both collegiate and graduate members to help our sisters aim high. Last year, we awarded 24 educational grants and scholarships.

Complete applications for all scholarships and educational grants must be postmarked by April 10, 2007. Please visit our website at [www.phisigmastigmafoundation.org](http://www.phisigmastigmafoundation.org) or click below to access the application. Don't miss your chance!

## Leadership Conferences

**The Foundation hit the road to join Fraternity leaders at this year's LCs**

Five more successful Leadership Conferences are now in the books! The Foundation traveled from Baltimore to Newark to Bakersfield to Albany and, finally, to Chicago to see collegiate and alumnae sisters from all over North America!

We were thrilled to host an area alumnae reception, the Foundation dinner, a speaker from the National Kidney Foundation, our fabulous auction and roundtable discussions about the Foundation and successful fundraising activities. We were also pleased to again fund ACHIEVE, our values- based leadership development

program for our collegiate sisters.

By every measure, it was a total success! We want to thank each and every sister for your interest and support of the Foundation. So many of you took the opportunity to give of yourselves by participating in the raffle and auction, sending Heart to Heart messages to sisters, joining the Rosebud Society and committing to the 1913 Society.

The Foundation raised tens of thousands of dollars that will be dedicated to supporting the National Kidney Foundation, the Kidney Foundation of Canada, educational grants and scholarships and leadership programming!

## Countdown to Disney!

---

In just a few short months our collegiate leaders and alumnae sisters will convene in Orlando, Fla. for Convention. The Foundation is busy planning a new and innovative service project, Foundation Walk, Foundation Dinner and, of course, our famous live auction.

Can't make it to Disney? Don't worry! You can read all about our four days of fun on our blog.

## Is your chapter highlighted on the Foundation Blog?

**It is easy! Learn how to feature the great work of your chapter!**

We hope each of you has had the chance to visit the Foundation blog. It has been a terrific way for us to connect with sisters all over to hear about wonderful service projects, academic achievements and fundraising ideas of chapters from all corners of North America.

Please take the opportunity to share your success stories with us - we want to share them with the world! Email us at [foundation@phisigmasigma.org](mailto:foundation@phisigmasigma.org) to share your good news. In the meantime, check out some of our highlighted stories.

## Foundation reaches out through Foundation Community Liaisons

Many of our Foundation Community Liaisons (FCLs) were thrilled to meet chapter leaders face-to-face at this year's Leadership Conferences. As you may know, the Foundation launched the Foundation Community Liaison program in October to better connect with and serve our collegiate and alumnae chapters. FCLs support chapters by offering ideas on service projects, fundraising initiatives, academic excellence and general information about the Phi Sigma Sigma Foundation. Each Community has an FCL assigned specifically to work with those chapters. Below is a list of each Community and its FCL:

- Community 1, Michelle Castro
- Community 2, Norma Castillo
- Community 3, Nancy Hay
- Community 4, Rosa Llaguno
- Community 5, Nancy Hay
- Community 6, Liz Rodriguez
- Community 7, Julie Olsen
- Community 8, Katie Herschede
- Community 9, Dana Vandecoevering

Contact information for each FCL is in the Phi Sigma Sigma Directory or can be obtained by emailing us at [foundation@phisigmasigma.org](mailto:foundation@phisigmasigma.org).

*You are on this list (or receiving this email) because you are an active member of Phi Sigma Sigma and/or have donated to the Foundation.*
